

Miss Tennessee

Instructions for Typing the Candidate's Social Impact Statement

Your Social Impact Initiative (formerly the Platform) will be your initiative on which you will work, alongside the Miss Local and Miss Tennessee Organization, during your Year of Service. This is your opportunity to explain to the judges your subject matter choice and how you choose to advocate for it during your year. In addition, it should explain how your social impact initiative will further the Miss America Organization and the Miss Tennessee Organization "brand" to the public.

This **page ONE (1) page, singled-spaced** document, combined with the Candidate's Resume, will comprise your entire application for this job. The judges will receive exactly what is submitted. Any items that do not meet the criteria or are submitted after the deadline will not be given to the judges. If your Social Impact Statement arrives on the day of the deadline, but does not meet the criteria, there will not be time to return it to you; therefore, it will not be given to the judges. The candidate may explain the lack of judging materials during her interview, if she so chooses.

1. Go to the word processing program of your computer.

7. Double space down. Write what you feel is critical for the judges to know about your social impact statement and why it is necessary for you to have the job of Miss America to promote this issue. What you write will be what the judges know about your statement, your role in successfully dealing with this issue, and the role the Miss America Organization may play in your plan.
8. This essay **may** include some of the following items (this is not to be meant as an exhaustive list):

If you forget to sign and date, we will need to return the document to you as it cannot be accepted without your signature. Thank you.

It is important that you sign and date the original document and required copies as shown in the attached sample prior to submitting.
